Additional Information Regarding Fees

Non-payment of Fees: Failure to meet ACCME deadlines could result in late fees, an immediate change of status to Probation, and subsequent consideration by the Board of Directors for a change of status to Nonaccreditation.

Nonaccreditation or Voluntary Withdrawal of Accreditation: Providers that receive Nonaccreditation decisions are responsible for payment of all fees, including the Annual Accreditation Fee, and submission of all required documents until the effective date of Nonaccreditation. Failure to do so will result in immediate Nonaccreditation.

If an applicant for reaccreditation cannot meet the ACCME's accreditation process deadlines, its accreditation term may be extended, by four months, with written request from the applicant. Organizations that are granted extensions are subject to the fees that were payable according to the original expiration date of their current accreditation term. The accreditation status of a provider will automatically revert to Nonaccreditation at the end of their accreditation term unless the ACCME has taken action to extend their term of accreditation or the ACCME has rendered a new accreditation decision.

No rebates will be given for Annual Accreditation Fees collected from providers requesting voluntary withdrawal or those not seeking reaccreditation.
